The CRANE Stand Classic is fully adjustable, lightweight and portable to meet all of your ergonomic and positioning needs. Laptops, tablets, projectors, or other similar size electronic devices all fit seamlessly on The CRANE Stand Classic, which gives you more options for space, positioning, handling and better ergonomics in the workplace, at home or in the classroom.

The CRANE Stand Classic comes ready to use with no loose parts, and easily adjusts to the optimal height for your head, neck, and back posture while sitting or standing at your desk. Simply unfold, adjust and place your laptop on a sturdy surface and you’re ready to go! Your neck, back, mood and overall better health will thank you!
